## POURING INTO THE PARK

An Unprecedented Rush of Montanans to the Nation's Wonderland.

### SOME OF THE MANY PARTIES

People Making the Expedition From All Parts of the State—The Social and Personal News of Livingston.

Special Correspondence of the Standard.

LIVINGSTON, Aug. 10.—Montanans have been swarming into the great national pleasure ground during the past week. There has probably been no other week since congress set apart the weird and wonderful region on the headwaters of the classic Yellowstone river that has witnessed a greater rush of Montana tourists into the National park. The cause for a tour of Wonderland has assumed the form of an epidemic in this city, and scores of people who have lived for years in sight of the snow-capped peaks of the park, and almost within hearing distance of the rushing cataracts and spouting geysers without taking in the sublime and picturesque scene grandeur of Wonderland, have this week thrown aside worldly cares for a royal romp amidst the garden of the gods. All the Livingston tourists who are now seeking succor from toll in the land of geysers are outfitted with private conveyances and are off for a two weeks' jaunt.

One party which left last Monday is composed of Messrs. E. P. Forte, Roll Dubois, John Everett, William Gay, Professor Johnson, Harry McKinnon and Rev. J. A. Jenkins; Mrs. P. W. Riding With a One Armed Drummer. From the St. Louis, Mo. Herald. "Some girls are too cute for anything," remarked a Boston drummer, with his left arm off at the elbow. "As to how?" inquired the hotel clerk, who was a connoisseur. "In various ways," continued the drummer, "but in one particular way which recently became a part of my experience. It happened out in Missouri!" said the drummer. "I stopped over Sunday in a little town where one of my customers had a rather pretty daughter, and to while away the time I asked her to go buggy riding with me, which she consented to do very readily. As we were about to get in she hesitated a moment. 'What is it?' I asked. 'I'll sit on the right side of the buggy,' she said, jumping in. 'What's that for?' I asked, rather quickly, feeling that she thought I could not drive with this one hand of mine. 'Well, if you don't know what for,' she twittered, 'maybe you are not too stupid to learn. Get in here and move on.'"

## DO YOU WANT A JOB?

Or Are You Trying to Find the Right Kind of Help?

The STANDARD in its "cheap ad" columns affords the public a valuable medium of exchange as between persons seeking situations and persons desiring help of any kind. To the former the rates are only one cent a word, and to employers advertising for help two cents a word for the first insertion and one cent a word for each subsequent insertion. As the STANDARD's circulation embraces the entire state the value of such advertising is apparent. Hundreds and thousands of people inspect the "cheap ad" columns every day.

### OLIMPIES OF AMERICA.

You can get "Glimpses of America" only through the STANDARD, but upon the following remarkably generous conditions: Send or bring to our office three coupons clipped from the daily or one combination from the Sunday issue, together with 10 cents, and we will deliver you any part from 1 to 5, which is now ready, over our counter, or have the same mailed to your address without further expense. The complete work comprises 32 parts, or 312 pages, 11x13 1/2 inches in size, and will be embellished with 550 superb photo-engravings. The photographs alone in this remarkable collection, if they were on sale, could not be purchased for less than \$500. Everyone who loves America should possess a copy.

### Railroad Notes.

J. W. Halley of Batavia, N. Y., conductor on N. Y. C. railway, and one of the best known men on the road, said of Parks' Tea: "For 10 years I have suffered from constipation. Tried everything and found nothing of lasting value. Hearing so many talking about Parks' Tea, I tried it without much hope. The first doses moved my bowels easily and now I am cured. It works like magic." Sold by Smith Drug Co. and Parthen D'Acheul Drug Co.

Meeting of the Grand Lodge, A. O. U. W. For the meeting of the grand lodge, A. O. U. W., to be held at Anaconda Aug. 14 to 17, the Northern Pacific will make a rate of one-fourth and one-fifth on the certificate plan from points in Montana, subject to an attendance of 50 or more.

The discomfort of dust in a railway journey makes it to be dreaded, but if you travel via the Great Northern you save this annoyance. Its roadbed is rock ballast, and it has no sand deserts along its line. It is free from dust.

### Lost and Found.

Try the advertising columns of the STANDARD for all articles lost or found. The cheap "ad." department of this paper makes a specialty of this line of advertising. The rates are so cheap as to be within everybody's reach. An inquiry in the STANDARD will fall under the eye of four times more people than any other newspaper in Montana can reach.

From now on the Great Northern sleeper leaving Butte on the Atlantic express will run through to St. Paul without change, and beginning Monday dining cars will be run on through trains in and out of Butte.

### Weekly Excursions.

Commencing at once and until further notice, the Great Northern railway will sell weekly excursion tickets to Boulder and Helena and return at one fare for the round trip. Tickets good going Saturday or Sunday, returning following Monday, and to Basin and return, \$1.50. Lake Wilder and return, \$1.50, good Sundays only.
